

Sheltering Arms of Love

Text by Nancy Starr

To be sung to the tune "Gift of Love" (#34 in *Singing the Living Tradition*)

Beneath our arms we shelter you;
You warm our hearts as you pass through.
May our love guide you as you go,
To help you learn, and help you grow.

E-mail to UUMN-L Aug 30 2007

In our church, the children are in the beginning of every service, and come forward for the story. At the end of the story, the adults along the center aisle stand and make an arch with their arms for the children to walk through as they exit the sanctuary for their classes. The lyric was written for this context.

You may use this freely in any way you wish.
